AGENCY OF HUMAN SERVICES
Department of Disabilities, Aging and Independent Living

33 V.S.A. § 7601 requires the Department of Disabilities, Aging and Independent Living (DAIL) to determine the amount of available savings in the Choices for Care program from SFY 2020.

Savings is defined as “the difference remaining at the conclusion of each fiscal year between the amount of funds appropriated for Choices for Care and the sum of expended and obligated funds, less an amount equal to one percent of that fiscal year’s total Choices for care expenditure.” The one percent (1%) is intended to “function as a reserve to avoid implementing a High Needs wait list due to unplanned Choices for Care budget pressures throughout the fiscal year.”

The Department is required to calculate available savings and report those savings to the Joint Fiscal Office and the House Committees on Appropriations and on Human Services and to the Senate Committees on Appropriations and on Health and Welfare by September 15 of each year.
