
Public Comment Session for Adult Protective Services (APS)

On behalf of DAIL Commissioner Monica Caserta-Hutt and Steve Pouliot, Chairperson of the APS Committee of the DAIL Advisory Board:

The Adult Protective Services (APS) Committee of the DAIL Advisory Board will hold a public comment session on Thursday, December 14th, from 2:30 p.m. to 4:00 p.m. The session will be in the Sally Fox Conference Center, Cherry Conference Room, at the Waterbury State Office Complex. You are invited to attend to provide any feedback on your experience with Vermont's APS program. This feedback will help guide the committee and APS as they jointly work together to improve our program.

Directions to the Waterbury State Office Complex are below. The complex is a secure facility. If you RSVP to joe.nusbaum@vermont.gov, your name will be provided to security staff, which will expedite your entrance into the complex. You may still attend if you don't RSVP in advance but give yourself some time to get through security at the front door. All attendees must bring a government issued photo ID. All visitors must enter through the main entrance of the complex as described below.

The comment session will be held in the Cherry Conference Room. After checking in with security, you will enter the Atrium of the complex. Take the elevator or stairs in the Atrium to the 2nd Floor. The Cherry Conference Room is part of the Sally Fox Conference Center, which is above the main entrance you arrived through. There will be signs.

If you are unable to attend the comment session and would like to provide feedback, please email your feedback to clayton.clark@vermont.gov or mail it to:

If you plan to attend and need accommodations to participate, please contact Joe Nusbaum at joe.nusbaum@vermont.gov by the end of the day Friday, December 8th, so that we can arrange those in advance.

Please feel free to forward this invitation to any interested parties.
