2 Introduced by Committee on Human Services

3 Date:

4 Subject: Human services; nursing homes; transfer of ownership; Department  
5 of Disabilities, Aging, and Independent Living

6 Statement of purpose of bill as introduced: This bill proposes to establish a  
7 working group to examine the oversight of nursing homes in Vermont. It  
8 would also eliminate a requirement for a certificate of need prior to the  
9 transfer of ownership of a nursing home.

10 An act relating to nursing home oversight

11 It is hereby enacted by the General Assembly of the State of Vermont:

12 Sec. 1. NURSING HOME OVERSIGHT WORKING GROUP; REPORT

13 (a) Creation. There is created the Nursing Home Oversight Working  
14 Group to examine the oversight of nursing homes in Vermont, including  
15 financial stability and licensing criteria, in order to ensure the provision of  
16 high-quality services and a safe and stable environment for nursing home  
17 residents.

18 (b) Membership. The Working Group shall be composed of the following  
19 eight members:

- 1           (1) the Commissioner of Disabilities, Aging, and Independent Living or  
2           designee, who shall be the Chair;
- 3           (2) the Director of the Division of Licensing and Protection in the  
4           Department of Disabilities, Aging, and Independent Living or designee;
- 5           (3) the Director of the Division of Rate Setting in the Agency of Human  
6           Services or designee;
- 7           (4) the Vermont Attorney General or designee;
- 8           (5) the State Long-Term Care Ombudsman or designee;
- 9           (6) a representative of the Vermont Health Care Association;
- 10          (7) a member of the Department of Disabilities, Aging, and Independent  
11          Living Advisory Board selected by the Board; and
- 12          (8) a nursing home owner or administrator appointed by the  
13          Commissioner.
- 14          (c) Powers and duties. The Working Group shall:
- 15               (1) identify procedures to monitor nursing homes' ongoing financial  
16               stability and to provide for early identification of nursing homes in financial  
17               distress, including:
- 18                       (A) reviewing the types and frequency of the financial data currently  
19                       reported by nursing homes, including data reported pursuant to statutes, rules,  
20                       and procedures, as well as to whom the data are reported and how the recipient  
21                       uses the information; and

1           (B) developing a process for addressing circumstances in which  
2           nursing homes are determined to be in financial distress;

3           (2) determine whether and what types of additional financial data may  
4           be necessary to evaluate nursing homes' ongoing financial stability, including  
5           cost data related to real estate lease agreements with related or other parties  
6           resulting from the separation of the entity owning the real estate from the  
7           entity operating the facility;

8           (3) review, in consultation with the Green Mountain Care Board, the  
9           criteria that the Board considers in its review of applications for transfers of  
10           nursing home ownership and determine how those criteria should be addressed  
11           in the future, by whom, and as part of what process;

12           (4) determine the appropriate regulatory entity or entities and the  
13           resources needed to monitor the quality of care and financial stability of  
14           nursing homes on an ongoing basis; and

15           (5) review current nursing home application and licensure requirements  
16           and identify any necessary changes, including any changes that are needed to  
17           ensure that:

18           (A) for the transfer of ownership of a nursing home, the purchaser  
19           has obtained the necessary financing for the transaction prior to the issuance of  
20           a license;

21           (B) appropriate and objective criminal background, abuse registry,

1 regulatory, and quality information are considered prior to issuance of initial  
2 and renewal licenses; and

3 (C) appropriate information is disclosed through the application  
4 process to enable the identification of the ownership, controlling, and  
5 management interests in both the real estate and operations components of the  
6 nursing home.

7 (d) Assistance. The Working Group shall have the administrative,  
8 technical, and legal assistance of the Department of Disabilities, Aging, and  
9 Independent Living.

10 (e) Report. On or before January 15, 2019, the Working Group shall  
11 submit a written report to the House Committee on Human Services and the  
12 Senate Committee on Health and Welfare that includes its findings and any  
13 recommendations for legislative action.

14 Sec. 2. 18 V.S.A. § 9434 is amended to read:

15 § 9434. CERTIFICATE OF NEED; GENERAL RULES

16 (a) A health care facility other than a hospital shall not develop or have  
17 developed on its behalf a new health care project without issuance of a
