

# Need Help Finding Caregivers?

The Vermont Department of Labor (VDOL) has partnered with ARIS Solutions to create a new way to recruit direct caregivers.

**You can advertise using VDOL's Joblink!**

**Joblink connects employers looking to hire with individuals looking for work.**

This resource is available to connect you with jobseekers, but the individuals included in this database have not been screened by the Department of Disabilities, Aging and Independent Living (DAIL), the Vermont Department of Health (VDH) or ARIS Solutions.
